

201-LANG, ROBERT EDWARD
OFFICE OF STRATEGIC SERVICES
WASHINGTON, D. C.

JOB DESCRIPTION IN THE CASE OF ROBERT EDWARD LANG

February 9, 1943.

The applicant is to be Liaison Officer and Instructor of Cryptography for the Message Centers of the Communications Branch, Office of Strategic Services.

He will be responsible for the planning, organization and operation of Message Center communication required for field and training, both in the United States and abroad, and will instruct and train personnel for this assignment.

The applicant is especially qualified in Cryptography through study and experience, and is a specially qualified and irreplaceable individual for the assignment.

WILLIAM J. DONOVAN
Director
